

# Maxwell Muhanda

Software Engineer

[ajaybullec@gmail.com](mailto:ajaybullec@gmail.com)

## About

I'm Maxwell Muhanda, a passionate and self-taught full-stack web developer based in Kenya. My skills include Vue, Nuxt, Django, Flask, and AWS, and I have experience in web SEO and social media marketing. My goal is to deliver high-quality code and great user experiences in every project I undertake

Outside of programming, I enjoy traveling, playing video games, and watching football. I'm always eager to learn new skills and stay up-to-date with the latest trends and technologies. If you're looking for a skilled and dedicated web developer who can deliver exceptional results, let's connect.

Vue js composition api calculator

### Vue-Flask IPAddress tracker 🔗

track any devices by IP Address

## Work Experience

### Kilimani Project Foundation Freelance Web Developer

Nov 2022 - Present | Nairobi , Kenya

- Designed and implemented web application along with 3rd-party software integrations for membership sign ups & Event Registrations
- Participated in regular meetings with company executives to brainstorm new ideas and features
- Used user experience (UX) design principles to optimize the website for both mobile & desktop devices using Nuxt & TailwindCSS

### Instruct Software Developer

Apr 2022 - Present | Remote

#### Fullstack Developer

- Drove growth of Instruct's user base through targeted SEO and digital marketing strategies, and built a sleek and responsive landing page with Vue and Tailwind CSS to showcase the platform's features, resulting in a 30% increase in traffic and a 25% increase in conversions
- Led the development of a scalable and robust REST API backend for Instruct, utilizing Python and Django.
- Orchestrated the AWS environment, implementing DevOps best practices to ensure high availability, scalability, and security. Streamlined deployment and testing processes with Docker.

### Pong Agencies Limited Digital Marketing & Software Development Executive

Oct 2021 - Sep 2022 | Nairobi Kenya

- Launched SEO campaign for high volume and long-tail keywords that generated unique visitors and growth of company website and online store
- Led transition from AWS to Hostinger shared Hosting, saving company KSH 5000+ monthly and increasing load speeds by an average of 38%
- Strategized, developed, and managed digital marketing across Twitter, Instagram, and Facebook
